Dear Sir/Madam,

PART A – STATEMENT TO SHAREHOLDERS IN RELATION TO THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

PART B – CIRCULAR TO SHAREHOLDERS IN RELATION TO THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE FOR RECURRENT RELATED PARTY TRANSACTIONS OF A REVENUE OR TRADING NATURE

1. INTRODUCTION

On 20 February 2023, the Board of Directors of the Company announced to Bursa Securities that it proposes to seek the shareholders' approval on the following at the forthcoming 59th AGM of the Company:

- i) Renewal of Share Buy-Back authority; and
- ii) Renewal of RRPTs shareholders' mandate pursuant to Paragraph 10.09 of the Listing Requirements, of which is subject to annual renewal.

The purpose of this Statement/Circular is to provide you with details of the Proposals together with the recommendation of the Board as well as to seek your approval for the resolutions thereto which will be tabled at the forthcoming 59th AGM of the Company.

SHAREHOLDERS OF GUH ARE ADVISED TO READ AND CONSIDER CAREFULLY BEFORE VOTING ON THE RESOLUTIONS PERTAINING TO THE ABOVE PROPOSALS

2. PART A - STATEMENT IN RELATION TO THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

2.1 BACKGROUND

At the Company's 58th AGM held on 30 May 2022, the Board of Directors of GUH obtained a renewal authority from the Company's shareholders for the Company to purchase its own shares up to 10% of the total number of issued shares of GUH through Bursa Securities. The aforesaid approval shall, in accordance with the Listing Requirements, continue to in force until the conclusion of the forthcoming 59th AGM, unless a renewal of authority for the Company to purchase its own shares is obtained from the shareholders.

2.2 DETAILS OF THE PROPOSED SHARE BUY-BACK

2.2.1 GENERAL

The Proposed Share Buy-Back is subject to compliance with Section 127 of the Act and any prevailing laws, rules and regulations issued by the relevant authorities.

The Board proposes to seek the shareholders' approval for the renewal of authority for GUH to purchase and/or hold from time to time and at any time up to 10% of the total number of issued shares of the Company through Bursa Securities. The shares will be purchased from the open market on Bursa Securities through a stockbroker appointed. No GUH shares were purchased to date since the approval was obtained at the 58th AGM.

As at LPD, the total number of issued shares of the Company is 280,271,301. Hence, the maximum number of shares which may be purchased and/or held by the Company will be 28,027,130 shares.

The authority from shareholders, if renewed, shall be effective immediately upon the passing of the ordinary resolution for the Proposed Share Buy-Back at the forthcoming AGM until the conclusion of the next AGM of the Company or until the expiry of the period within which the next AGM is required by law to be held, unless revoked or varied by an ordinary resolution passed by the shareholders of the Company in general meeting, whichever occur first.

The Proposed Share Buy-Back does not impose an obligation on the Company to purchase its own shares but rather, it will allow the Board to exercise the power of the Company to purchase its own shares at anytime within the above mentioned period.

2.2.2 MAXIMUM AMOUNT OF FUNDS TO BE ALLOCATED AND THE SOURCE OF FUND

In accordance with the Listing Requirements, the Proposed Share Buy-Back must be made wholly out of retained profits of the Company. Therefore, the Board proposes that the maximum amount of funds to be allocated for the Proposed Share Buy-Back shall not exceed the retained profits of the Company. The retained profits of the Company were RM166.9 million, based on the audited financial statements as at 31 December 2022.

In the event that the Proposed Share Buy-Back is to be financed by borrowings, the Company will ensure its capability of repaying such borrowings and that such repayment will not have a material effect on its cash flow.

The Proposed Renewal of Share Buy-Back Authority will allow the Board to exercise the power of the Company to purchase and hold its own shares at any time within the abovementioned time period using internally generated funds and/or borrowings. The amount of fund to be utilised will depend on the actual number of shares to be purchased, the price of the shares and the availability of funds involved for each purchase will depend on the market conditions, sentiments of the stock market as well as the retained profits and financial resources available to the Group.

2.2.3 STATUS AND TREATMENT OF THE PURCHASED SHARES

As at 31 December 2022, a balance of 115,264 Purchased Shares are retained as Treasury Shares and the rights attaching to them in relation to voting, dividends and participation in any other distribution or otherwise had been suspended. The Treasury Shares would not be taken into account in calculating the number or percentage of shares or class of shares in the Company for any purposes including the determination of substantial shareholdings, take-overs, notices, the requisitioning of meetings, the quorum for meetings and the result of a vote on resolution(s) at meetings.

The Directors may deal with the Purchased Shares in the following manner:-

- (i) to retain the shares as treasury shares; and/or
- (ii) to cancel the shares; and/or
- (iii) to retain part of the shares and cancel the remainder; and/or
- (iv) to resell the shares; and/or
- (v) to distribute as share dividends; and/or
- (vi) to transfer the shares for the purpose of an employees' shares scheme; and/or
- (vii) to transfer the shares as purchase consideration; and/or
- (viii) any combination of the above; and/or
- (ix) in any other manner as prescribed by the Act, Listing Requirements and any other relevant authority for the time being in force.

To date, the Company has yet to determine the manner of which the Purchased Shares are to be treated. However, the Board will deal with the Purchased Shares in accordance with Section 127 of the Act.

Appropriate announcement(s) and notice(s) will be made to Bursa Securities and the relevant authorities in respect of the Board's decision on the treatment of the Purchased Shares in compliance with the Listing Requirements and the Act. The Board may decide to cancel the Purchased Shares if the cancellation of the said shares is expected to enhance the EPS of the Group and thereby in the long term, have a positive impact on the market price of the shares.

2.2.4 PRICING

Pursuant to the Listing Requirements, the Company may only purchase its own shares on Bursa Securities at a price which is not more than 15% above the weighted average market price for GUH Shares for the 5 market days immediately before the date of the purchase(s).

The Company may only resell or transfer the Treasury Shares on Bursa Securities at:

- (a) a price which is not less than the weighted average market price for GUH Shares for the 5 market days immediately before the resale or transfer; or
- (b) a discounted price of not more than 5% to the weighted average market price for GUH Shares for the 5 market days immediately before the resale or transfer provided that:
 - (i) the resale or transfer takes place not earlier than 30 days from the date of purchase; and
 - (ii) the resale or transfer price is not less than the cost of purchase of GUH Shares being resold or transferred.

2.3 RATIONALE FOR THE PROPOSED SHARE BUY-BACK

The Proposed Share Buy-Back, if implemented, will enable GUH to utilise its financial resources not immediately required for use, to purchase its own shares at the Board's flexibility. GUH may be able to reduce any unwarranted volatility of the shares and assist to stabilise the supply and demand of its shares traded on Bursa Securities and thereby support the fundamental values of GUH Shares. The Proposed Share Buy-Back may also signal the focus of the Board of GUH to enhance the value for its shareholders from the result of reduction in the number of GUH Shares traded on Bursa Securities.

2.4 POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED SHARE BUY-BACK

The Proposed Share Buy-Back, if implemented, will enable the Company to purchase GUH Shares listed on Bursa Securities to keep as Treasury Shares and give the Board an opportunity to sell the Purchased Shares at a higher price, therefore making an exceptional gain for the Company. Alternatively, the Purchased Shares can be distributed as share dividends, it will serve to reward the shareholders of GUH. If GUH Shares bought back are subsequently cancelled, the EPS of GUH would generally be envisaged to improve, and thereby long term and genuine investors are expected to enjoy a corresponding increase in the value of their investment in the Company. The actual treatment of the Purchased Shares would depend on, inter-alia, the prevailing equity market conditions and the financial position of GUH.

The Proposed Share Buy-Back, if exercised, would however reduce the financial resources of the Company and may result in the Company having to forgo other investment opportunities that may emerge in the future. The Proposed Share Buy-Back may also result in reduction of financial resources for distribution in the form of cash dividend to shareholders. The working capital of the Group may also be affected, as any purchase of GUH Shares will reduce the Group's available funds depending on the actual number of shares purchased and their purchase price. However, the working capital of GUH Group may be restored upon the resale of the Purchased Shares held as Treasury Shares.

Nevertheless, the Board will be mindful of the interest of the Company and the shareholders when exercising the Proposed Share Buy-Back.

2.5 FINANCIAL EFFECTS OF THE PROPOSED SHARE BUY-BACK

Assuming that the Proposed Share Buy-Back is carried out in full, the financial effects are summarised below:-

(a) Share Capital

The effect of the Proposed Share Buy-Back on the number of issued shares of the Company will depend on the treatment of the Purchased Shares. In the event that all the Purchased Shares are cancelled and on the assumption that the Proposed Share Buy-Back is exercised in full, the effect on the issued shares of GUH as at LPD are as follows:-

	<u>No. of Shares</u>
Number of issued shares as at LPD	280,271,301
Cancellation of Purchased Shares	<u>(28,027,130)</u>
Upon completion of the Proposed Share Buy-Back	<u>252,244,171</u>

No. of Shares held in treasury as at LPD	115,264
------------------------------------------	---------

However, there will be no effect on the number of issued shares of the Company if the Purchased Shares are retained as Treasury Shares.

(b) Net Assets

The effect of the Proposed Share Buy-Back on the net assets of GUH Group is dependent on the number of GUH Shares which the Company will buy-back, the purchase price of GUH Shares at the time of buy-back and the treatment of the Purchased Shares.

(c) Working Capital

The Proposed Share Buy-Back, if exercised, will result in an outflow of cash and thereby reduce the working capital of GUH Group, the quantum of which is dependent on the purchase price of GUH Shares and the number of GUH Shares to be purchased.

However, the working capital and cash flow of the Company will increase upon reselling the Purchased Shares which are retained as Treasury Shares. Again, the quantum of the increase in the working capital and cash flow will depend on the actual selling price of the Treasury Shares and the number of Treasury Shares resold.

(d) Earnings Per Share

The effect of the Proposed Share Buy-Back on the EPS of GUH Group is dependent on the actual number of GUH Shares bought back and the purchase price of GUH Shares. If GUH Shares purchased by the Company are cancelled, the net EPS of GUH may increase as a result of the reduction in the number of issued shares of the Company.

(e) Dividends

The Proposed Share Buy-Back is not expected to have any material effect on the dividend payments of the Company as any dividend to be declared by the Company in the future would be determined by the Board after taking into consideration the performance of the Group and the prevailing economic conditions.

(f) Gearing

The effect of the Proposed Share Buy-Back on the gearing of GUH Group will depend on the proportion of borrowings utilised to fund any purchase of GUH Shares. The utilisation of any borrowings to fund the purchase of any shares will serve to increase the gearing of GUH Group.

2.6 INTERESTS OF DIRECTORS AND SUBSTANTIAL/MAJOR SHAREHOLDERS

Save for the inadvertent proportionate increase in the percentage shareholding and/or voting rights of the shareholders of the Company as a consequence of the Proposed Share Buy-Back, none of the Directors, Substantial/Major Shareholders and/or person connected with them has any direct or indirect interest in the Proposed Share Buy-Back and the resale of Treasury Shares, if any.

The following table illustrates the effects of the direct and indirect shareholdings of the Directors and Substantial Shareholders of GUH as at LPD before and after the Proposed Share Buy-Back, assuming that the Company implements the Proposed Share Buy-Back in full to purchase GUH Shares from parties other than the Directors and the Substantial Shareholders and the Purchased Shares are held as Treasury Shares.

2. MATERIAL LITIGATION, CLAIMS OR ARBITRATION

Save as disclosed below, as at the LPD, the Group is not engaged in any material litigation, claims or arbitration, either as plaintiff or defendant, and the Board is not aware and has no knowledge of any proceedings pending or threatened against the Group, or of any facts likely to give rise to any proceedings, which might materially or adversely affect the financial position or business of the Group:-

(a) Adjudication between Teknoserv Engineering Sdn Bhd ("TESB") against JAKS Sdn Bhd and KACC Construction Sdn Bhd

The Company's wholly-owned subsidiary, TESB previously initiated adjudication proceedings against the unincorporated joint venture known as "JKJV" (whose members comprise JAKS Sdn Bhd and KACC Construction Sdn Bhd) under the Construction Industry Payment & Adjudication Act 2012 on 18 August 2022. The adjudication decision was delivered by the Learned Adjudicator on 23 December 2022 in favour of TESB wherein JKJV was ordered to pay TESB the following within 14 days from the award date (i.e.: 6 January 2023):-

- (i) adjudicated sum of RM11,491,322.00;
- (ii) simple interest at the rate of 5% per annum on the amount of:-
 - a. RM2,221,694.23 from 10 August 2021;
 - b. RM8,994,785.07 from 23 November 2021; and
 - c. RM274,842.70 from the date of the adjudication decision;
- (iii) a sum of RM54,995.69 incurred by TESB on respect of adjudicator's fee and the Asian International Arbitration Centre's fees; and
- (iv) JKJV shall pay to TESB a sum of RM120,000.00 as party and party costs.

(collectively referred to as the "Adjudication Decision")

As at 10 January 2023, JKJV has failed to make any payment to TESB pursuant to the Adjudication Decision despite the fact that the deadline to do so had lapsed. Consequently, TESB has filed an Originating Summons in the Kuala Lumpur High Court to enforce the Adjudication Decision on a joint and several basis against members of JKJV ("Enforcement of the Adjudication Decision").

On 17 February 2023, JKJV served the following documents to oppose the aforesaid Enforcement of Adjudication Decision filed by TESB.

- (i) Originating Summons in respect of the Setting Aside of Adjudication Decision;
- (ii) Affidavit in Support in respect of the Setting Aside of Adjudication Decision;
- (iii) Originating Summons in respect of the Stay of Adjudication Decision; and
- (iv) Affidavit in Support in respect of the Stay of Adjudication Decision.

Subsequently, pursuant to the directions of the court TESB has duly filed the Affidavit in Reply in the Kuala Lumpur High Court in respect of the Enforcement of Adjudication Decision.

(b) Application by JKJV to set aside and stay the Adjudication Decision

JKJV had filed on 16 February 2023 the following applications:-

- (i) Application to stay the execution of the Adjudication Decision; and
- (ii) Application to set aside the Adjudication Decision.

TESB will be contesting the said applications and has filed its Affidavit in Reply on 15 March 2023 in respect of the same.

(c) Arbitration between JKJV and TESB

On 27 December 2022, the Company announced that TESB has also received a notice of arbitration from JKJV on 23 December 2022 claiming:-

- (i) a declaration that TESB's self-determination of its employment is wrong and unlawful;
- (ii) general damages arising from the alleged wrongful termination and unlawful self-determination;
- (iii) loss and damage amounting to RM11,773,250.00;
- (iv) costs and disbursements;
- (v) pre-award and post-award interest; and
- (vi) other reliefs the learned arbitrator deems just and appropriate.

(collectively referred to as "Notice of Arbitration")

TESB has served its response to the Notice of Arbitration on 20 January 2023.

In essence, TESB's position is that it had performed all of its obligations in accordance with the Sub-Contract Agreement, and that its determination of the Sub-Contract Agreement is valid, justifiable and rightful. Consequently, JKJV is not entitled to the reliefs sought in the Notice of Arbitration. In addition, as TESB is not agreeable to the arbitrator proposed by JKJV, TESB proposes that JKJV makes an application to the Director of Asian International Arbitration Centre ("AIAC") for the appointment of a sole arbitrator in accordance with the rules of the AIAC Arbitration Rules 2021.
